

Louie's Ask Abouts

If the user asks Louie about one of these key words, these are his responses.

1. **Tex:** You're OK in my book, Murph... no matter what anyone else says.
2. **Chelsee:** (1) Chelsee's the sweetest girl I've ever met. There's nothin' I'd like more than to see you two together.
(2a) Just between you and me, I get the feelin' she's sweet on ya.
(2b) I don't know what to tell ya, Murph. The mind of a woman can be a great mystery.
(2c) She called awhile ago. I guess she's gonna make her visit to Phoenix permanent. Sorry.
(3a/b) Yeah, I've heard from her. She wanted me to say hi.
3. **Louie:** What are ya askin' 'bout me for? I ain't nothin' special.
4. **Rook:** Rook's just an ornery son-of-a-gun, but, believe or not, he's pretty soft underneath.
5. **Clint:** Clint's done real good for himself. That chocolate stand up at Coit Tower's doin' some pretty good business.
6. **Zoe:** She took over the Electronics Shop when Hamm left. I've been meaning to go introduce myself..
8. **Fitzpatrick:** I just saw him talking to you. That's about it.
9. **Malloy** (before offer photo): DON'T KNOW
(after offer photo): That's the guy in the photo, right? I only saw him the one time.
11. **Nilo:** I don't like to talk bad about people, so I got nothin' to say about Nilo.
12. **Fuchsia Flamingo:** That's the new club up the street. Seems real nice. I gotta get up there sometime.
13. **Leach:** Leach is the guy who opened up the club. Big fella. Got a real hearty appetite.
14. **Scarf/Broach:** SEE BELOW
15. **Lucy Luv:** I guess that's the name of the girl who sings up at the Fuchsia Flamingo. I haven't seen her in action..
18. **Stalker:** I've heard talk that a stranger's been seen around the neighborhood for awhile now. 'Course, a lot of people come and go around here.
19. **Mac:** I saw Malden a couple weeks ago, when the cops came by to clean out Rusty's place. He hasn't changed much, except around the waistline.
20. **BAK:** I remember readin' about the Black Arrow Killer. Someone was covering the story in the Bay City Mirror.
21. **NSA:** I hope ya ain't messin' around with those guys, Murph.. I hear they ain't so easy to work with.
22. **Pernell:** That name sounds familiar, but I can't put my finger on it.
26. **Crazy Gary:** Crazy Gary's tryin' to start some kind of feud with me. Says I'm

killing all my customers with my food. Good thing no one takes him too serious.

32. **Anagrams:** I can't do those anagrams. Makes my head hurt.

33. **Roswell:** Roswell...that's down south somewhere. New Mexico maybe.

40. **Bay City Mirror**(before): The Mirror's a good paper. I read it most every morning.

40. **Bay City Mirror** (after BAK AA): You wanna find copies of the Black Arrow Killer articles? I throw out all my old papers, but Rook sometimes holds onto his. Keeps 'em in the alley back of the pawnshop.

42. **Warehouse:** That warehouse changes owners like partners at a square dance. I guess it's some kind of storage unit now.

46. **Mayan Language (Yucatec):** I don't know nothin' but English and not much of that.

53. **Gary Lee:** I'm pretty sure that's Crazy Gary's real name.

55. **Rusty's Fun House:** The cops came in and closed that place down a couple weeks ago. Turns out they found Rusty's body in there. Someone dumped him in a barrel of acid. Created a lot of conversation in here, I'll tell ya.

56. **Rusty's Roof:** I don't know what to tell ya. I don't spend much time on the roofs around the neighborhood.

60. **Young blonde woman:** She was real pretty, though a little heavy on the makeup. I think she said her name was Emily.

61. **Emily:** I don't know anythin' else about her.

Don't know (name) #1: Sorry, Murph. Haven't heard of him.

Don't know (name) #2: I don't know who she is.

Don't know (name) #3: I'm pretty sure I've never heard that name.

Don't know (thing) #1: Sorry, Murph. Can't help ya there.

Don't know (thing) #2: Outta my league on that one.

Don't know (thing) #3: I don't know anything about that.

Offer photo of Malloy: Yeah. I've seen this guy. Lemme think.. He came in here a week or two ago. Had a young blonde girl with him. Ordered liver and onions if I remember correctly.

Offer untranslated letter: Well Murph, if I had to guess, I'd say this is written in Yucatec. It's a Mayan language, spoken in southern Mexico. I can't help ya with the translation, though. You know who might be able to help ya is Clint. I heard he's quite a world traveler. Might give it a try.

Offer scarf: (SAME AS ASK ABOUTS)

Negative offer: No thanks.

If Tex offers **Photo of Malloy** first: Yeah, I remember this guy. Came in here to eat a couple times. Probably a month ago.

Then **Scarf**: Oh, yeah. I remember this scarf....and the perfume on it. Young, blonde girl.. In fact, she came in here with the guy in the photograph.

If offer **Scarf** first: Oh, yeah. I remember this scarf....and the perfume on it. Young, blonde girl. Came in here awhile ago.

Then **Photo of Malloy**: This guy was with that young blonde girl who wore the nice-smelling scarf..
